

CV Prof. G. Folkerts:

G. Folkerts started his career in 1981 in the Rudolf Magnus Institute for Pharmacology at the Utrecht University. He did his thesis on viral infections and asthma and is appointed as full professor (Chair COPD and In Vivo Pharmacology) in the division of Pharmacology, Department of Pharmacy, Faculty of Sciences. He spent some time at the University of Edmonton (Canada), the Wellcome Research Institute in Beckenham (UK) and Janssen Research Foundation in Beerse (Belgium). Since 1991, he has guided successfully a great number of research projects concerning inflammatory diseases. These activities have resulted in over the **160** scientific publications in well-respected international journals. In 2003 he was appointed as a full-time professor at the Utrecht Institute for Pharmaceutical Sciences, Utrecht University, The Netherlands. He is associated editor of The European Journal of Pharmacology and is CEO of the contract research company Curax bv.
